

DECEMBER 2024

AG
VERTISER

Farewell Cliffy!

BACK WHEN HE HAD HAIR!

David Cliff started at RRAS back in 1999 as a Service Technician, then taking a short break came back as a Salesman. Cliffy has been in Sales for 17 years. Cliffy has certainly sold his fair share of machines and will certainly be missed by his loyal customers. Cliffy's last official day is Friday 20th December, we wish him well on his retirement!

WHO WOULDN'T WANT TO BUY A MACHINE FROM THIS GUY?!

As we are all aware 2024 has not been the season we were all hoping for. For those that may need some additional assistance with any of your Finance contracts with CNH Industrial Capital please contact them, they are more than happy to assist you with your enquiries.

Seeding Orders

Its time to start thinking about seeding for 2025. Its the perfect time to be placing your orders now to make sure that your points/boots/presswheels arrive in plenty of time. We are suppliers of Agmaster, Primary Sales, Maxipoint, Dutch Openers Rootboot & Agpoint.

Click on the logos below to view the products on offer or speak with one of the Parts Team for more information.

DID YOU KNOW?

that we can get Mower parts for Bushranger, Cub Cadet, Cox, Echo, Husky, Hutsler, Iseki, Masport, John Deere, MTD Rover.

FILTERS, BELTS, BLADES & MORE!

Speak to the Parts team for more information on the range available.

Staff Update

There has been a few staff changes at Rocky River Ag, a familiar face is back! We welcome Emma Paparella back to the Parts Team, along with Andrew, Kym & Alex they will be able to assist you with all your Spare Parts needs. Michael "Mick" Collins has also joined the Parts team he is looking after the Spare Parts requirements for the Service Department.

MICK & EMMA

ANDREW & BRAD

As most of you would be aware Jamie Matthews stepped down from the Service Manager role earlier on in the year, we thank him for all his hard work & dedication to this role for many many years! Acting Workshop Foreman Evan Rich along with Tanya Hick kept the cogs turning in the Service Department until the roles of Service Manager & Workshop Manager were filled. We welcome Brad Loftes to the Service Manager role & Andrew Reljich as Workshop manager.

Evan will now focus on Precision Farming installation & repairs alongside Trainee Luke Hansen.

Our senior Service Technicians include Ashley Hall, Brad Sargent, Peter Ellis & Cody Kerley assisted by apprentices Raymond Dicker, Sam Clark, Alan Fennell & Josh Kelly.

With another successful year of the East Farm Machinery Group Technician Academy a new batch of Apprentices will start in 2025.

Jamie Matthews (Flexi-Coil guru) is now managing the Assembly team (Steve, Scott, Ravindu & Nick) who are busy assembling tillage & seeding equipment ready for 2025 sowing season.
